I make her nervous
Hunny bee buzzing round her hive
She keeps me happy
Giving me love that that I will not describe
And oh so clever
Never know what she'll do to me
We keep the lights on
Makes the muse easier to see

She's my funky lady
My my my sweet potato
I feel like going down again

She satisfies my
Appetite with a piece of pie
And temps my tummy
Recipes that make a man feel fine
And oh so clever
Never know what she has in store
Don't make no difference
She knows i'll be coming back for more

She's my funky lady
My my my sweet potato
I feel like going down again

She's my funky lady
My my my sweet potato
I feel like another round again

Here I come
I'm going down
One more round
I'm going down
Oh yea...

She's my funky lady
She's my funky lady

She keeps me guessing
Never know what she has in store

Don't make no difference
She knows I'll be coming back for more
Cause

She's my funky lady
My my my sweet potato
I feel like going down again

She's my funky lady
My my my sweet potato
I feel like another round again

I'm going down
One more round
I'm going down... Again
