Fryers beep are you listening  
In line people are bitchin'  
It's a horrible sight  
We're crabby tonight  
Walkin in a greasy wonderland

In the pan we can build a greaseman  
And pretend that he is Parson Brown  
He'll say are you divorced we'll say no man  
But you can do the job while you're in town

Later on we'll conspire as we fry by the fire  
To face afraid the plans we've unmade  
Walkin in a greasy wonderland

Gone away is a manager  
Here to stay is a customer.  
He sings a bad song  
As we go along  
Walkin in a greasy wonderland

In the pan we can build a greaseman  
And pretend that he's a circus clown  
We'll have no fun with Mr. Greaseman  
Until the other workers melt him down

When it smells ain't it 'sgusting  
When your gut gets a rolling  
We'll eat and we'll puke  
The sick person way  
Walkin in a greasy wonderland.
