Is a runaway feelin'
About as big as the sky?
You know the Rock 'n' Roll feelin'
Really make you feel high

Tell me I'm the one you wanna play with
Tell me I'm the one you really need
Tell me I'm the one you're bound to stay with
When you're free to do what you please

It's a runaway feelin'
(What you're feelin')
Once you make up your mind
(Make up your mind)
To let the runaway feelin'
(That you're feelin')
Leave all your troubles behind
(Leave them behind)

Tell me I'm the one you wanna play with
Tell me I'm the one you really need
Tell me I'm the one you're bound to stay with
When you're free to do what you please

And you're free
(Run run, run away, run, run, run, run away)
Do what you please
(Run run, run away, run, run, run, run away)

Rollin' and reelin'
No way of slowin' it down
(No way of slowin' it down)
I'll take this runaway feelin'
And ride it out of this town
(Ride it out of this town)

Tell me I'm the one you wanna play with
Tell me I'm the one you really need
Tell me I'm the one you're bound to stay with
When you're free to do what you please

And you're free

(Run run, run away, run, run, run, run away)
Do what you please
(Run run, run away, run, run, run, run away)
Do what you please
(Run run, run away, run, run, run, run away)
