She sleeps alone without her clothes on
While I dream of how things could have been
She doesn't want me and I don't know why
I left a message in the midnight sky
But now I know she'll never find it

Maybe I'll see tomorrow
But for tonight I know I'm blind

Such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame
Ah-

You may be wrong and I'm not crazy
Though I admit that I'm confused
I waited patiently you walked on by
I had to have you now I want to die
So there's no way to justify it

Maybe I'll see tomorrow
But for tonight I know I'm blind

Such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame
Ah-

Such a shame
When you can't (belong to)
Someone else
Such a shame
It's such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame (to want you)
When you can't (belong to)
Someone else
Such a shame
Ah-
