Take the curtains down

Walk onto the ground

Where they walked before

They never knew anymore

Take the curtains down

Walk onto the ground

Where the garden grew

And everyone knew what life was

Ah ah and now I know what you wanted

'Cause I was wanting something too

And maybe if I read some more

Someday I can walk, walk like you

Pull the covers back

Lay yourself down patiently

Dodging history

Pull the covers back

Lay yourself down

Where life began

And it ended then

An an and now I know what you wanted

'Cause I was wanting wsomething too

And maybe if I read some more

Someday I can walk, walk like you

Maybe, someday I'll find

I won't be so blind to look up to the sky

And see your face painted in the clouds

See all you left behind
