Here we go once again

And this time around

I won't fight the end

You and I had a time

Divided up by tragedy left behind

CHORUS

And there's an empty room in my heart

I'll keep here

And your memory will

Always be safe there

One dream I will never sell

But this time around my friend

I wish you well

Memories come back at night

Take me back

To a better time in mind

Afternoons in the yard

Safe and warm

Late afternoon call from home

And now I'm home

CHORUS
