I know I was wrong by leaving you by yourself
I say something got a hold on me and I lost control
Now I know where I belong and I wanna come back
home
I need your love and baby I need it so bad

Here I stand with my heart in my hand
Don't make me feel any less than I am
Don't make me crawl on my hands
Back to you, oh

I said it
If I could only get your love back
If I could only get your love back

I know you wanna make me pay for all the wrong that
I've done
Well baby I'm ready, I'm ready to pay any price you ask
I don't care for what I have to do
Long as I can get close to you

Your sweet love was the best love I, I've ever had
Here I stand with a tear in my eye
I ain't ashamed to let you see me cry
To live without your love I'd better die

Baby, please hold me in your arms
If I could only get your love back
Sugar I tell ya, if I could only get your love back
I'll be so satisfied

Now I know where I belong and I wanna come back
home
I need your love and baby I need it so bad

Here I stand with my heart in my hand
Don't make me feel any less than I am
Don't let me crawl on my hands and knees
Back to you

I said it
If I could only get your love back

Sugar I tell ya, if I could only get your love back
Baby oh, If I could only get your love back
I'll never, never leave you
If I could only get your love back
I'll be so, so satisfied
I'll be so satisfied
