I won't let you go (no, no)
And I don't care what you say
I just got to have you near me
People laugh and talk
(telling me about you)
But they don't bother me (they don't bother me)
'Cause what I want is what I see
(What I want is what I see)
(What I want is what I see)

You're the breeze that blows
Right down the winding road
You're the only one who grooves me
Yeah
By your parts I know (la)
Hearing my melody (la)
And don't you know I got to have you here with me
(I got to have you here with me)
(Got to have you here with me)

You're everything
That I could ever want
Don't you know you've got that certain something
Yeah-eah
Ooh, hoo, when I look at you
(I look at you)
Way down deep inside (hey)
There's a feeling I just can't hide, no baby
I just can't hide, oh
(I can't hide)

Baby, uh huh
Hey, uhhhh uh huh

I won't let you go (I won't let you go)
Don't care what you say
Don't you know we got the perfect combination
(We got the perfect, perfect combination)
Hey, hey
Ooh, hoo, in the winter night
Don't you know I got to hold you tight

I gotta keep you warm all through the (night)
Night, baby, I won't let you go (night)
No no no no no no, hey baby

(I won't let you go) no no
(no no no no) no no no no no no
(I won't let you go) I won't let you go
(no no no no, no no) no no no
(I won't let you go) hey
(no no no no) I just can't let you go
(I won't let you go) hey baby
(no no no no no) no no no no
(I won't let you go) can't let you go
(no no no no no no no no) no no no
(I won't let you go) no no
I need you, I can't let you go
(I won't let you go) no no
I want you, I can't let you go
