We go on and on
From dawn to dawn
The years have flown much faster than we know
And still in love we grow
(And still in love we grow)

Time (nothing less but time)
Has place goes here
Afraid of fear, we've seen thorough tears
That will never, never should have thrown
And still we love we grow

Like a baby dove
Our love in time, it's snowy wings
Unfold to soar above

I'm still (Another hour)
Another hour (Another day)
Another, another day our whole life
As long as I feel this way
I'll stay, I'll stay with you-ou-ou, hey-ey yeah
As long as I feel this way
Our love will grow, oo-oo-oo
(In love we grow)
In love we grow, ooh baby
(In love we grow)
In love we grow

In love we grow
In love we grow
In love we grow---
