I left a guy not far behind  
Patched upon a dream, my mind  
Sweet lines of worship was my game  
Made his love come easy  
I cannot sustain  
I walked away, just looking down  
Searching all alone

Lonelier are fools  
Lonely, lonely  
Just because they know  
But never try to change it (never try to change)  
Lonelier are fools  
Just because they know

No time to ponder where I've been  
When he came, my heart give in  
Sweet words of magic was my game  
Cast a spell within me  
I can never change  
He gave me fragments of my past  
Now I'm quite alone

Lonelier are fools  
Lonely, lonely  
Just because they know  
But never try to change it, ohhhhh-ooooooh  
Lonelier are fools, lonelier are fools  
Just because they know

Oo-ooooooh-ooooh

Lonelier are fools (lonely, lonely)  
Just because they know  
They never try to change it  
Lonelier are fools, ooh  
Just because they know

Lonelier are fools  
Ohhh, oohh  
Just because they know

They never try to change it  
(Lonelier are fools)  
So lonely are fools  
Just because they know

Lonelier are fools  
So lonely are fools  
Just because they know  
They never try to change it  
(Lonelier are fools)  
So lonely, so lonely, so lonely are fools  
Just because they know
