Long lost, long lost lover of mine
[Lover of mine]
I've been waiting, anticipating
The day you return
Long lost, long lost lover of mine
It's good to see you
I really need you here with me

I'm sorry for the things I did to you
I know now I acted like a fool (Like a fool)
How you feel? How's the world treat you?
Have you been lonely for me, too?
Why don't you come on home to me?
I need your loving
Baby, can't you see?

Long lost [Long lost], long lost [Long lost] lover of mine
[Lover of mine]
I've been waiting [Yeahh], anticipating
The day you return
Long lost [Long lost], long lost [Long lost] lover of mine
[Lover of mine]
It's good to see you [Ooh]
I really need you here with me

Now it's been so long since I talked to you
You sure got a lot of catching up to do
Now I know I ain't been doing so good
'Cause I ain't been in love like I should
If you would only come on home to me
This time we'll make it
Just you wait and see

Long lost [Long lost], long lost [Long lost] lover of mine
[Lover of mine]
I've been waiting [Yeahh], anticipating
The day you return [Talkin' 'bout long lost]
Long lost, [Long] long lost [Love of mine] lover of mine
[Sweet, sweet love of mine]
It's good to see you [Yeahhh]
I really need you here with me

Long lost [Long lost], long lost [Long] lover of mine
[Long, long, long lost love of mine]
Long lost [Ooh], long lost [Long lost] lover of mine
[My sweet lover]
Long lost [Yeah], long lost [Yeahhh] lover of mine
