Look in my eyes
And tell me you love me
Tell me you love love me
Or darling I'll be gone
Gone gone gone gone
Look in my eyes
And tell me that you're
The one for me
And that our love
Will always be
Or darling I'll be gone
Gone gone gone gone
You still got time
So make up your mind
What's it to be?
Do you want me?
I don't need much
Only your touch
Come and love me please
Or darling set me free
Look in my eyes
And tell me you love me
Tell me you love me
Or darling I'll be gone
Gone gone gone gone
Oooooo
Oooooo...
