#### SPOKEN:

You know Girls it's hard to find a guy that really blows  
your mind  
And you just dig everything about him  
And when you mess up your good thing you feel like  
you wanna die  
I know because I messed up mine  
You know girls sometimes we can say some pretty  
dumb things  
I told the nicest guy in the world to get lost I don't need  
you  
But he was cool, he just stood there looking so hurt  
And he said If that's the way you want it and he split  
I just stood there looking dumb and let that man walk  
right out of my life  
And I've been as evil as a wet hen ever since  
I said I wasn't gonna sweat it, oh but I did  
How do you just forget something that's a part of you  
And then one evening I was standing at the bus stop  
and I heard a voice behind me say Hi baby  
Oh I just fell apart inside because I hadn't heard that  
voice in such a long time  
I turned around and there he was, Aw he was looking so  
good  
I couldn't help but wonder if the flame was still there  
But I know I had to find out and it had to be now  
So it took his hand and I looked into his eyes and I said  
I Said

#### SUNG:

Maybe if I prayed every night  
You'll come home to me  
And maybe baby if I cry every day  
You'll come back, you'll come back to stay  
Maybe

Oh, oh maybe if I could hold your hand  
You'd understand  
Maybe maybe maybe maybe if I just kissed your sweet  
lips  
You'll be at my command  
Maybe

Oh, oh, Maybe  
Yeah Maybe
