

## The Three Degrees

### "Stop In Nevada"

Visit "[Stop In Nevada](#)" on [MotoLyrics.com](http://MotoLyrics.com)

He always found it hard to take me  
I wouldn't listen to his advice  
He never, never tried to make me  
Sometimes I thought it would've been nice

Oh, now I'm heading out to California  
It's been a long time coming, but I'm feeling like a  
woman tonight  
(Feeling like a woman tonight)  
And I left a little letter said, "I'm gonna make a stop in  
Nevada  
Goodbye, goodbye"

I tried so hard to be a good wife (You know she tried)  
Never quite got off the ground  
And all those stories of the good life (Talking all about  
the good life)  
Convinced me not to hang around  
Just couldn't hang around

Oh, now I'm heading out to California (heading out to  
California)  
And I don't know what's coming, but I should know what  
I'm leaving behind  
(Should know what I'm leaving behind)  
And I left a little letter said, "I'm gonna make a stop in  
Nevada  
Goodbye (oh, oh), goodbye"

[Interlude]

Now I find it hard to leave him  
I love you, but I just can't stay (I love you, but I just can't  
stay)  
He wouldn't understand the reasons, ha  
But makes a woman wanna cry (cry)  
Cry (oh), cry (whoa, oh)

Oh, now I'm heading out to California (heading out to  
California)  
Got some money in my pocket, I'm a rocket on the

Fourth of July, ah-hah  
And I left a little letter said, "I'm gonna make a stop in  
Nevada  
Goodbye, goodbye"

Left a little letter said "I'm going to California, now  
goodbye" (goodbye)  
Left a little letter said "I'm going to California, now  
goodbye"  
(Goodbye, goodbye)  
Left a little letter said "I'm going to California, now  
goodbye"  
(Goodbye, bye, bye)  
Got some money in my pocket, now I'm feeling like a  
rocket  
On the Fourth of July (goodbye, goodbye)

Left a little letter said "I'm going to California, now  
goodbye" (bye)  
Left a little letter said "I'm going to California, now  
goodbye"  
(Goodbye, goodbye)  
Took him out the cornerside, left a little letter saying  
goodbye (bye)  
Took him out the cornerside, left a little letter saying  
goodbye  
(Goodbye, goodbye)

Left a little letter said "I'm going to California, now  
goodbye" (bye)  
Got some money in my pocket, now I'm feeling like a  
rocket  
On the Fourth of July (goodbye, goodbye)  
Took him out the cornerside, left a little letter saying  
goodbye (bye)  
Took him out the cornerside, left a little letter saying  
goodbye

Took him out the cornerside, left a little letter saying  
goodbye (bye)  
Took him out the cornerside, left a little letter saying  
goodbye  
(Goodbye, goodbye)  
Took him out the cornerside, left a little letter saying  
goodbye (bye)  
Left a little letter said "I'm going to California, now  
goodbye"  
(Goodbye, goodbye)

Left a little letter said "I'm going to California, now  
goodbye" (bye)

Left a little letter said "I'm going to California, now  
goodbye"  
(Goodbye, goodbye)  
Left a little letter said "I'm going to California, now  
goodbye" (bye)
