Shimmering, Glimmering, Glistening on the wind
That's the Golden Lady

Time after time I knew I needed you
Out of a dream you appeared right in view
You reached out for me... so desperately

Now that I find that you're one of a kind
I've got you on my mind all the time
You make it seem like I live in a dream
But reality tells me that you're the Golden Lady

Soft whispered words in the dark of the night
Start to excite and ignite with such delight
You melt into me... we love so free naturally

Now that I find that you're one of a kind
I've got you on my mind all the time
You make it seem like I live in a dream
But reality tells me that you're the Golden Lady

Ooh, Golden Lady
Ooh, Woo, Woo, Golden Lady
Ooh, Golden Lady
Ooh, Woo, Woo, Golden Lady

Ooh, Golden Lady
Ooh, Woo, Woo, Golden Lady
Ooh, Golden Lady
Ooh, Woo, Woo, Golden Lady, Golden Lady

Now that I find that you're one of a kind
I've got you on my mind all the time
You make it seem like I live in a dream
And reality seems so unreal

Now that I find that you're one of a kind
I've got you on my mind all the time
You make it seem like I live in a dream
And reality seems so unreal

Now that I find that you're one of a kind
I've got you on my mind all the time
You make it seem like I live in a dream
And reality seems so unreal
