Through misty eyes, and now behold  
The mystery of love within my soul  
When I first touched your outstretched hand  
I knew at once that you were my man  
Ooh, yeah

Through misty eyes (Misty eyes)  
I've come to see  
How beautiful my world can really be  
(Really, really be)  
My heart's so full (So full)  
Of love and pride (So full)  
I never felt so good, so good way down inside  
(Good, so good)  
Ooooooh, yeah-eah-eah

You entered my soul  
And awaken in me (Misty eyes)  
All of the things that I thought could never  
No, never (baby, baby)  
Never (never, never), never be

Through misty eyes, I'm begging you to stay  
I need you by my side  
I need you night and day (So good)  
To feel my soul (ah, so good)  
Sweet love divine (ah, so good)  
For I am yours (ah)  
And baby, you are mine (you're mine, you're mine)  
All the time (ah, all the time you're mine)  
All the time you're mine (Ah, all the time you're mine)  
Ooooooh, baby (ah, all the time you're mine)  
I love you (all the time you're mine)  
All the time (all the time you're mine)  
I'm gonna need you (all the time you're mine)  
All the time (all the time you're mine)  
All the time (all the time you're mine)  
All the time (all the time you're mine)  
All, all the time (all the time you're mine)  
Gonna need you all the time (All the time you're mine)  
All the time
