Outside the rain begins  
And it may never end  
So cry no more on the shore  
A dream will take us out to sea  
Forevermore, forevermore

Just close your eyes, Amie  
And you can be with me  
'Neath the waves, through the caves of ours  
Long forgotten now  
We're all alone, so all alone

Close the window, calm the light  
And it will be alright  
No need to bother now  
Let it out, let it all begin  
Learn how to pretend

Once a story's told  
It can't help but grow old  
Roses do, lovers too  
So cast your seasons to the wind  
And hold me dear, hold me dear

Close the window, calm the light  
And it will be alright  
No need to bother now  
Let it out, let it all begin  
Throw it to the wind, my love  
Hold me dear

All's forgotten now, my love  
Hold me dear

Close the window, calm the light  
And it will be alright  
No need to bother now  
Let it out, let it all begin  
Cast it, cast it to the wind, my love  
We're all alone, oh...  
[Fade]
