I'm the one, you're the one  
I'm the one, you're the one  
I'm the one, you're the one  
You're the one, you're the one

I'm the one who wants to be ahead  
I stand in line and I'm behind instead  
What is happenin let me look around  
Not a thing trying to hold me down  
Now I know I got to look at me  
Some things a little hard to see

You're the one  
And your mama can't make you good  
You're the one  
Can't blame no argument  
You're the one  
Don't you know how to take a hint  
You're the one  
Your teacher can't teach you dumb  
You're the one  
But your pity can make you numb  
You're the one

I'm the one my life has taught to fight  
To turn around would never make it right  
Inside out or outside in  
The way you do depends on where youve been  
I think I'm making it, I think I'm near  
Then I realize I'm in the rear
