Darling, I know you had to go away  
And I'm going to miss you oh so much  
But you don't have to worry about me  
Because I'll always be...

Yours till the stars lose their glory  
Yours till the birds fail to sing  
And I'm yours to the end of life's story  
This pledge to you I'll bring  
(Ah, ah, ah)

I'm... yours in the cold grey of December  
If you're here, or far distant shores  
I've never, never, never loved anyone the way I love  
you  
Ooh, how could I, when I was born  
To be only (yours, yours, yours) yours
