A Moment Such As This

The Family's at the table  
Everyone's in place  
Grandma has to smile as her voice is plend in pain  
Remembering the fever prowls the hurts she's gently  
kissed  
It's all been worth it for a moment such as this

For a moment such as this  
She lives  
She sacrificed a lifetime to experience this bliss  
She's right where she wants to be  
She wouldn't want to miss what she feels  
At a moment such as this

He's hanging on the cross  
In pain beyond belief  
Jesus hears a cry for help  
Coming from a wonded theif  
And in his dying moments  
He gave heaven as a gift  
It's all been worth it  
For a moment such as this

For a moment such as this  
He died  
He spoke eternal life as he was crucified  
He was where he had to be  
So he wouldn't have to miss what he felt  
At a moment such as this  
(Amazing grace how sweet the sound that saved a  
wretch like me)

He listens from the heavens  
To amazing grace  
He see's a tear drop fall  
Down a sinners face  
Because of His great sacrifice  
Mercy now exists  
He did it all for a moment such as this

For a moment such as this  
He lives  
A past of sin and shame he clenches and forgives  
He's right where he needs to be  
So that we wont have to miss how heaven feels  
At a moment (at a moment) such as this  
He did it all  
For a moment such as this
