Well, what can you do  
When all that surrounds you  
Says slow down  
Deckchairs and cigarettes

(Theyre sayin)  
Lets go to San Diego  
Hey thats where all the kids go

Just don't change a thing  
Just don't change a thing  
Just don't change a thing

Well the bottom fell out  
On our summer  
But we knew  
What we got ourselves into

(Theyre sayin)  
Lets go to San Diego  
Hey thats where all the kids go

Just don't change a thing  
Just don't change a thing  
Just don't change a thing

Lets go to San Diego  
Hey thats where all the kids go

You build me up so high,  
My darling  
You brought me down so low,  
You know it

You build me up so high,  
My darling  
You brought me down so low,  
You know it

Just don't change a thing  
Just don't change a thing

Just don't change a thing
