I could see snow  
Covered hills  
You were walking  
I was  
Standing still  
I could feel  
The cold  
On my face  
And  
We were talking  
Like always

And I  
Could touch snow  
Covered leaves  
And you  
Were walking  
Closer to me  
And I  
Would play you  
A song out loud  
We could sing it  
Til the year  
Runs out

I remember  
Streets  
Covered white  
And I remember  
A long tonight  
Said  
Our December  
Will be littered  
With lights  
And I see her  
Walking to me

Oh  
We were holding  
Our future  
In hand

And place to fly  
And a place  
To land  
Now  
Our December  
Will be sure  
To last  
I said  
There'll be  
No rush  
For the year  
To pass

I remember  
Streets  
Covered white  
And I remember  
A long tonight  
Said our December  
Will be littered  
With lights  
And I see her  
Walking to me

I could see snow  
Covered hills  
And all at once  
My heart  
Is still  
And I see her  
Walking to me

I remember  
Streets  
Covered white  
And I remember  
A long tonight  
Said  
Our December  
Will be littered  
With lights  
And I see her  
Walking to me

I remember  
Streets  
Covered white  
And I remember  
A long tonight  
Said our December  
Will be littered

With lights  
And I see her  
Walking to me

And I see her  
Walking to me
