That boy from the wrong side of the tracks
you said a diamond in the rough
they like to chew you up and spit you out
oh they'll never understand
oh they'll never understand

Oh they'll never understand
try as they may
our nervous way
the world will have to wait

That girl you met on ... bridge
a girl a rich man could not buy
'cause her youth and beauty never dies
oh they'll never understand
oh they'll never understand

Oh they'll never understand
try as they may
our nervous way
the world will have to wait

You think beauty never dies
oh you think beauty never dies

Oh they'll never understand
try as they may our nervous way
and so you looked into the sun
tears in your eyes you can't disguise

The world will have to wait
yes the world will have to wait
