How the curse of comfort
Has plagued your artistic life?
I hope love, love, love
Just gets in the way

Just like that
Love could always get in the way

The suburbs dream tonight
Of finding their muse
Damn those rape victim writers
And their five star reviews

Just like that
Love could always get in the way
Love could always get in the way

Wouldn't want a heart
That's been dented by you
Wouldn't want a heart
That's been dented by you
I said, "I wouldn't want a heart
That's been dented by you
Dented by you, oh no"

Let's bottle Bohemia
And start a career
I hope love, love, love
Just gets in the way

Just like that
Love could always get in the way
[Incomprehensible] get in the way

Wouldn't want a heart
That's been dented by you
Wouldn't want a heart
That's been dented by you
I said, "I wouldn't want a heart
That's been dented by you
Dented by you, oh no"

I hope love, love, love
Just gets in the way
