Tripping down Fifth Avenue on a most perfect day
Wearing my Audrey Hepburn smile
Even got the shades
Meet a handsome millionaire
I take his breath away
That's just the way things are
When you're a superstar

Another day in my hip life
And the world's so clean and bright
Another day in my hip life
Would you like to join me in my hip life

Back in my railroad flat
With my black and white TV
Boyfriend's pasted to the sofa
Cause the rent is free
He's a bouncer at the club
Where I shake my A & T
I'm gonna click my heels
One Two Three

Another day in my hip life
Another freak coming into the light
Another day in my hip life
Would you like to join me in my hip life
Another day in my hip life
And the world's so clean and bright
Another day in my hip life
Would you like to join me

Whatever happened to my little girl dreams
Of penthouse suites and champagne flowing free
When I see my reflection dancing in those mirrored
walls
I have to stop and ask myself, Is that me?
Now all I've got is a g-string and a dream

Another day in my hip life
And the world's so clean and bright
Another day in my hip life

Would you like to join me in my hip life
Another day in my hip life
Another freak coming into the light
Another day in my hip life
Would you like to join me in my hip life,
