Words by Iword and Bob Marley

The heights of great ones was not achieved by sudden flight
but they, while their companions slept, toiled thru the night.

Jah Love is Wonderful.
The life Jah gives so Beautiful.
Jah Love will conquer all
open your heart to Jah Love,
Jah Love is Harmony,
Jah Love is Melody,
Jah Love waits patiently for us to live in Love

Can't you see that the time is now
The prophets words have come to pass
there is no way they can stop it now
Jah Love will ring at last

Jah Love is Wonderful
Jah Love is Beautiful
Jah Love will conquer all

Jah Love is Wonderful
Jah Love is Beautiful
Jah Love will conquer all

Jah Love is in everything
Jah love is everywhere
Jah Love will conquer all
as we walk the golden stair

and reach to the Mother of Peace,
Jaruselem
Just like a bride adorned in her finery,
Bless the gates of Bethlehem

Jah Love is Wonderful
Jah Love is Beautiful
Jah Love will conquer all

Jah Love is Wonderful
Jah Love is Beautiful
Jah Love will conquer all

Love love love love love
Love love love love love
I see it and I feel it hear it and I know it
Jah Love
Love love love love love
Love love love love love

I see Jah Love in that
I see Jah Love in this
I see Jah all over in all his bliss
Oh Yeah! Jah Love!

Jah Love is ever strong
Jah Love shines so bright it gives
me this heart song

Love love love love love
