Valium glances beneath plastic flowers
Heathens and sinners and men of the hour
In massage parlors on bended knees
You always wanted to please in Sodsville
In Sodsville

Fishnets, a mini and a barrel of smack
Spend half your life on your back
Got no money, don't get no honey
Buying or selling
Yes, why are we dwelling in Sodsville
In Sodsville

Now's the time and you want out
So many addictions to sort out
Choose your exit and go in peace
Don't look back and never speak
Sodsville, in Sodsville, in Sodsville
In Sodsville
