[Baby Bash]

You go

You go

You go

[Kate Alexa]

(Verse 1)

Whenever I hear goodbyes

Remind me, baby, of you

I breakdown and cry

Next time, I'll be true, yeah

Fever for lost romance

Remind me, baby, of you

I took a crazy chance

Next time, I'll be true

I'll be true

I'll be true

Chorus: Kate Alexa

Footsteps on the dance floor

Remind me, baby, of you

Teardrops in my eyes

Next time, I'll be true, yeah

Whispers in a powder room

She cries on every tune

Every tune

Every tune

[Baby Bash]

Sweat it out

Girl, let it out

(Verse 2)

When I'm dancing 'round

Remind me, baby, of you

I really let you down

Next time, I'll be true, yeah

I took a crazy chance

She cries on every tune

Every tune

Every tune

Repeat Chorus

Bridge: Kate Alexa
And the music
Don't feel like it did when I
Felt it with you
Nothin' that I do or feel ever feels like I
Felt it with you

Hook: Baby Bash
Footstep
Left to right
Foot, footstep
Left to right
Foot, footstep
Left to right
Foot, footstep
Left to right

[Rap Verse: Baby Bash]
Now I can scream 'bout sanities
But it won't bring back no memories
Now you seem like a distance friend to me
And my music's how you remember me
Tellin' me, "Don't cry, again
Maybe one day, we can try again
One day, you might be mine again
But until that day, bye bye, my friend"
With the tears of a clown runnin' down your face
Dance and freedom, that's your place
It's where you belong, with style and grace
Cause now, I'm gone without a trace

[Kate Alexa]
I'm hurtin' deep inside
She cries on every tune
I breakdown and cry
She cries on every tune
Every tune
Every tune
Yeah

Repeat Chorus

Repeat Bridge Twice {*fades on second*}

Repeat Hook Til Fade
