### "Tricks Of The Street"

Visit "[Tricks Of The Street](#)" on MotoLyrics.com

(ft. Kool G Rap, Cormega & Roc Marciano)

I got to love the tricks of the street,  
I got to love the tricks of the street

The tricks of the street simple keep mother f\*cking ,be  
out ..  
Go around ..f\*ck ..routines..litle figures ..move with the  
big cat..  
The kids back,like you never heard the .. shawty make  
the ,  
Stress.. smiles when ..like you and me against the  
world yeah babe that's the best.

Chorus:

I got to love the tricks of the street,  
I got to love the tricks of the street  
I got to love the tricks of the street,  
I got to love the tricks of the street

Anything wet ..more if you coke .  
..pay for a ..face to face, don't make cause..  
A short conversation it can put you a ....the eyes don't  
lie..  
You could feel fake heart,  
but squeeze ..when you don't aloud than do what you  
gotta do  
..when you sleep obvious,feed them  
,not any .. eat them ..so you niggas believe me..but  
never,

Chorus:

I got to love the tricks of the street,  
I got to love the tricks of the street  
I got to love the tricks of the street,  
I got to love the tricks of the street

Forty ..the eye of the ..don't make moves that's illegal,  
never show sign of weakness  
and trust no one ,,come across  
Specially ..people get shock,never get followed ..better

prove for swallow,  
Don't wanna be a vic .. stay of the phones.  
.never get comfortable,f\*cking ..  
F\*ck it the credit without,is so ,  
Be more powerful ,.mother f\*cker.

Chorus:

I got to love the tricks of the street,  
I got to love the tricks of the street  
I got to love the tricks of the street,  
I got to love the tricks of the street

,only ..gentlemen ..embrace the ,can't be  
Especially when..with gangstas ,occurs with the ..  
occurs worth the ..  
My vocal.. to death,  
'cause when ..the stress..a mess got homies  
Now only ..nigga

I got to love the tricks of the street,  
I got to love the tricks of the street  
I got to love the tricks of the street,  
I got to love the tricks of the street

Thanks to garbo
