Pass my popcorn down this way

Every time we're out on a date  
I want to love you, you made me wait  
Then you told me I look like a pimp  
But honey, I noticed you waited till after dinner  
18 jumbo shrimp, damn

Chocolate  
You gotta give me some of your  
Chocolate  
What you waitin' for?  
Chocolate  
Oh Lord give me some of that  
Chocolate  
Just can't wait no more

Every time I bring you home  
You say you got a headache, you wanna be alone  
I ain't tryin' to brag baby, but if I ever get you in the bed  
I'll work that body so hard  
You'll wish all you had was an achin' head

Chocolate  
Oh Lord, give me some of your  
Chocolate  
What you waitin' for?  
Chocolate  
Oh Lord, give me some of that  
Chocolate  
Just can't wait no more

Look out  
Back up, wait, wait

Chocolate  
Oh nasty, give me some of your  
Chocolate  
What you waitin' for, baby?  
Chocolate  
Give me some of that  
Chocolate

I said I just can't wait no more

Back up now, yes  
There no, there wait a minute  
Hit me, yes  
Oh nasty, listen to me now

When I sleep, I dream of you  
I dream about doin' the things I want to do  
I'd make it so nice if only I could  
Don't you wanna see my Tootsie Roll?  
Baby, I'm sure you would

Chocolate  
Oh Lord, give me some of your  
Chocolate  
What you waitin' for?  
Chocolate  
Candy, oh Lord, give me some of that  
Chocolate  
I, I, I said I just can't wait no more

Chocolate  
Look out, give me some of your  
Chocolate  
Yes, what you waitin' for baby?  
Chocolate  
Candy, oh Lord, give me some of that  
Chocolate  
Just can't wait no more

Oh baby, what's the problem?  
What's the matter, don't you like me?  
You don't want no young man?  
You need somebody with experience?  
I could make it so nice

Chocolate  
Oh Lord, give me some of your  
Chocolate  
What you waitin' for?  
Chocolate  
Oh Lord, give me some of your  
Chocolate  
I, I said I just can't wait no more, look out

Chocolate  
Milky way, give me some baby  
Chocolate  
Give me today, look out  
Chocolate

Fellas, we got to get on up out of here  
It's way past my dinner time, let's go

Garcon, Mr. Day's ready to order now  
Waiter, I think I'll have the hot turkey dinner  
What comes with that?  
Mashed potatoes, gravy, cranberry sauce  
Stuffin', green beans, chitins  
That's good  
Candy, sweet potatoes  
That's good, that's enough  
Black-eyed peas, grits  
Hey, wait, wait, wait, hold on, hold wait  
Cabbage and  
Could you take this?

I can say anything I want to

Y'all can't fuck with me  
Didn't nobody ask you all that  
Just take the menu  
Look out  
And get the hell out my face, alright?  
Too old  
Too ugly  
Nasty  
But still I'm bad  
Bad to the bone  
What you gonna do with me?  
I'm all alone, hit me

Chocolate  
I like it, I like it  
Chocolate  
But we can't just leave it like that  
We need somethin' else  
Chocolate  
We need some horns  
Horns, stand up please  
Thank you so much  
Chocolate  
Y'all come in on the one  
Everybody else just clap  
Clap your hands, come on
