Girl, I called you up to say
That I'm havin' trouble sleepin' ever since you went
away
Girl, I know you need a little time
To get your head together, baby, I can't stop cryin',
yeah

Girl, why'd you go away?
What can I say to make you stay?
Girl, I was a fool, don't know what to do
Still in love with you, still in love with you, oh baby

Girl, I guess I was a fool to try to tie you down
And make you play by rules
Girl, I guess I finally realized
Keepin' you close to me it would keep me alive

Girl, why'd you go away?
What can I say to make you stay?
Now now, girl, I was a fool, don't know what to do
Still in love with you, don't know what I'm gonna do, no,
no, no

What can I say, baby, to make you stay?
I don't know what to do, no I don't
I'm still in love, still in love, still in love

Down on my knees, baby, please
[Incomprehensible]
Oh baby please

Still in love with you
Still in love with you
Called you up to say, baby, I still love you
Still in love, love, love, love
Yeah, I'm in love
