We are young, we are free on earth together
Let's fall in love
You are fine, you are white, I am of color
Let's fall in love

Ice cream castles in the summertime
Ice cream castles in the summer

I want you, you want me, we want each other
Is that so wrong?
It's raining mad sisters, why can't they realize
That it won't be long?

We're all ice cream castles in the summertime
Ice cream castles in the summer

Let's do something soon

We are young, we are free let's come together
Before the end
I am blue, you are too, what could be better?
Let's make friends

We're all ice cream castles in the summertime
Ice cream castles in the summertime

We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime
Summertime, summertime, summertime

Is that what you need?
White girls, black girls, orientals, jamaican?

Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime, summertime

White girls, black girls, orientals, jamaican
I want you, you want me, we want each other
White girls, black girls

We are young, we are free on earth together

Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon

Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
Let's do something, let's do something soon
We are young, we are free, let's come together
