Shaking it up, I'm shaking it down.
Don't have to go to another town.
I'm shaking with you, get down on the sounds.
We're on the dates so let's hang around.

You wanna dance? This is the place.
You know you're on the right track.
You wanna dance? Make no mistake.
We're shaker shaker shake.

Shaking it up, I'm shaking it down.
Can't see the shaker? Get no down.
I'm shaking all day. I'm shaking all night.
Go rock and shake to the different sounds.

I'm here to dance, shaking with you.
I'm here to shake, I'm shaking it through.
I really shake, don't get so cool
I'm shaking it around, shaker get loose.

Ooh yeah, down.
Ooh right, hey hey.
Ooh yeah, ow.
