

The Time "Wild And Loose"

Visit "[Wild And Loose](#)" on MotoLyrics.com

What time is it?

Hangin' by the backstage door, decked out like a queen
Your body's sayin' 21, but your face says 17
My intuition tells me, that you're waitin' for the band
Before you get your hopes up, one thing understand

Wild and loose, that's how it's got to be
'Cuz that's the only kind of dame that appeals to me
Wild and loose, the only life I know
Just havin' one big party from show to show

Talkin' trash to Jimmy Jam, tell us where the party's at
We don't care who you came with, we'll take care of that
Just meet us at the motel, room 602
Tell your mama you won't be home, 'cuz we got plans for you

Wild and loose, that's how it's got to be
'Cuz that's the only kind of dame that appeals to me
Wild and loose, the only life I know
Just havin' one big party from show to show

Universal freak delight, where'd you get those thighs?
Where did you get the nerve to wear that miniskirt so high?
Don't worry, baby, I can keep a secret for as long as snow is white
Hey Jesse? Yeah, come here man, guess what I did last night?

Wild and loose, that's how it's got to be
'Cuz that's the only kind of dame that appeals to me
Wild and loose, the only life I know
Just havin' one big party from show to show

Baby, you ain't no saint, 'cuz there ain't no in-between
Either you come or you can't, now get loose, let me hear you scream
Baby, you ain't no saint, 'cuz there ain't no in-between

Either you come or you can't, now get loose, let me
hear you scream

Wild and loose, that's how it's got to be
'Cuz that's the only kind of dame that appeals to me
Wild and loose, the only life I know
Just havin' one big party from show to show

Wild and loose, ah pardon me, say it one more time
Wild and loose, I can't hit it baby, maybe I'm blind
Wild and loose, everybody know you got to be
Wild and loose, 'cuz ain't nobody cool but me, slap me

Wild and loose, somebody, somebody sing it
Wild and loose, tell your mama you won't be home
Wild and loose, everybody know you got to be
Wild and loose, ain't nobody cool but me, now break it
down

{"Kim, wasn't the concert great?"
"Oh yeah, it sure was"
"Did you see Jesse up there, wasn't he fine?"
"Oh yeah"
"Morris looked so good"
"Yeah, but I think Jesse is cuter"
"Oh yeah"
"I wonder what they are doin' after the concert"
"Oh yeah, I got a strange feelin' they're nasty"
"Yeah, I bet I'll remember this concert for the rest of my
life"
"So will I" }

{"Did you see Jesse's eyes, aren't they pretty?"
"Oh, they're so pretty"
"No one at school will ever believe I talked to Morris"
"On the phone last night"
"Oh, I believe you"
"His voice was so soft, he sounded so sweet"
"Oh yeah, he's so cool"
"Yeah, but now I want to meet him in person" }

{"What's happening? You girls don't want to go party
tonight"
"Jerk"
"Get out, get away, eh yuck"
"Kim, you ain't gonna believe it"
"The guys from the time are right behind you"
"Are you serious?"
"No, I'm not look, I, I mean yes I am! Over there" }

{"Oh my God" }

"Can you believe it? Look"
"Should I look?"
"Should I go over and see if he remembers me?"
"Oh yeah"
"But what should I say?"
"Say somethin'"} }

{"Hi, hi Morris"
"Excuse me, hello, do I know you?"
"Yeah, you talked to me on the phone last night"
"Is that right? Well, you sure don't look like you sound"
"Well, excuse me"
"It's okay baby, I got things to do, I'll talk to you later"
"Jerk! That was the worst concert I've ever been to"} }

Wild and loose
Wild and loose
Wild and loose
Wild and loose

Wild and loose, that's how it's got to be
'Cuz that's the only kind of dame that appeals to me
Wild and loose, the only life I know
Just havin' one big party from show to show

Wild and loose, I can't hear you singin'
Wild and loose, help me out, help me out, hey
Wild and loose, baby, I got plans for you
Wild and loose, everybody get loose

Fellas? Yeah? Where the party at?
Right here under your shoes
Fellas? Yeah? What time is it?
Time to get wild and loose

Show time fellas? Yeah? Where the party at?
Right here under your shoes
Fellas? Yeah? What time is it?
Time to get wild and loose

Fellas? Yeah? Where the party at?
Right here under your shoes
Fellas? Yeah? What time is it?
Time to get wild and loose

Fellas? Yeah? Where the party at?
Right here under your shoes
Show time fellas? Yeah? What?
Time to get wild and loose

Fellas? Yeah? Where the party at?

Right here under your shoes
That's right fellas? Yeah? What time is it?
Time to get wild and loose, tonight

Fellas? Yeah? Where the party at?
Right here under your shoes
Fellas? Yeah? What time is it?
Time to get wild and loose
Somebody bring me a mirror
