Verse:

I know I ain't supposed to hit & double back,
'cause I don't get down like that,
(But I'm gonna).
I know I ain't supposed to let her push my whip,
And stunt in front of my chicks,
(But I'm gonna).

I'm goin' out my way,
To see her everyday,
All of my niggas say, "Jay, why you trippin'?" Oh.
But if they only knew,
The things you let me do,
They know what I'm goin' through.

Chorus:

She worth the trouble ya'll
She rides me like I like all night so I know
She worth the trouble ya'll
She holds me down if it go down that's fa sho'
She worth the trouble
Gotta playa actin' like he's a couple
I ain't never been this deep in trouble
There go my hustle
It could be bad for me
I think I'm fallin' in love

Verse:

I know I ain't supposed to let her check my phone,
Erase them other hoes,
(But I'm gonna).
I know I ain't supposed to hit without my hat,
My Mama would be mad,
(But I'm gonna).

I'm goin' out my way,
To see her everyday,
All of my niggas say, "Jay, why you trippin'?" Oh.
But if they only knew,
The things you let me do,
They know what I'm goin' through.

Chorus:

She worth the trouble ya'll
She rides me like I like all night so I know
She worth the trouble ya'll
She holds me down if it go down that's fa sho'
She worth the trouble
Gotta playa actin' like he's a couple
I ain't never been this deep in trouble
There go my hustle
It could be bad for me
I think I'm fallin'

Bridge:

Can't believe the things that she got me goin' for
Got me like a fiend,
Got me beggin' her for more,
Got me in the house while she runnin' these streets,
I don't give a damn long as she come home to me.
Damn, she got a nigga open.
It's hard for me to keep my focus,
Like she's playin' with my mind,
I can't stand the things she do
But man, I love the things she do,
No matter what she put me through.

Chorus:

She worth the trouble ya'll
She rides me like I like all night so I know
She worth the trouble ya'll
She holds me down if it go down that's fa sho'
She worth the trouble
Gotta playa actin' like he's a couple
I ain't never been this deep in trouble
There go my hustle
This could be bad for me
I think I'm fallin' in love.
