Breaking your heart is sort of like I am breaking mine
You just think this is another type of player line
I leave my girls .. heart attack .. part of that
Excuse me baby but you got a part In that
Anything .. I need a part of that you got
I would be asking where your heart is at
Need to speak my mind I don't even wanna ,
See is just more than rats and hooks
See is single independent like captain Cook
See in the kitchen this cat can cook before I pass the
joint
Money falling like is the way I , though
Getting paid I ain't telling how I make it though
You told me this world is mine for the taking ,
Life on the fast lane try to learn to take it slow
Is like is a tattoo no racing it's mine for the taking
And we are gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
Is like is a tattoo no racing it's mine for the taking
And we are gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it

The flight is like tt no racing
Is mine for the taking life in the basement
.. minds think alike let me speak my mind patient
I can fall for Benjamin Franklin ,dollar dollar bill
Alcoholic chill margarita ville try to build , go get it
On business .. shit is like .. you are late doing fine
.. happy in the streets rapping .. bring that .. heavy
Is like is a tattoo no racing it's mine for the taking
And we are gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it

Is like is a tattoo no racing it's mine for the taking
And we are gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
And we're gonna take it
