I was so happy when we were together,
I thought that we would last forever,
But that was all a stupid dream,
You werent all that you seemed.
You caused my heart to break,
You cant imagine the heartache,
We argued countless times on the phone,
All we would is piss and moan.

Goddamn I hate you,
You tell so many lies.
Its people like you,
I totally despise.
Youre a loser, loner,
A wannabe.
I hate you so much,
Cant you see?

And everyday I'm gonna blame you even if you justify,
For every stupid crap bull sh*t lie.
It only makes me want to break you half,
Youre a joke; all I can do is laugh
Every time you say my name,
I just wanna scream at you, you drive me insane

Goddamn I hate you,
You tell so many lies.
Its people like you,
I totally despise.
Youre a loser, loner,
A wannabe.
I hate you so much,
Cant you see?

You're such a liar
And I love to hate you
You're all the same to me
When you repeated me
Take advantage of me
The only thought I get of you sickens me
Every body knows your fate

Coz youre the guy I bloody hate

Goddamn I hate you,
You tell so many lies.
Its people like you,
I totally despise.
Youre a loser, loner,
A wannabe.
I hate you so much,
Cant you see?

Cant you see?
Cant you see?
Cant you see?
I hate you so much
