Im in my world  
Youre in yours  
Why cant I be there with you?  
I dream of the days  
When I get my shot  
Theyll be chanting my name too  
You may think its crazy  
You may think its dumb  
But I swear to god Ill be a wrestler

I can be who I wanna be  
Ill wear my baggy pants  
I wanna be like her  
Just gimmie a chance  
Im gonna take the risk  
Im gonna move away  
Im gonna go to that school  
Ill be there every day  
Cant hold me down  
Cant make me stay  
Im livin for those moments  
And Im livin for today

Im in my world  
Youre in yours  
Why cant I be there with you?  
I dream of the days  
When I get my shot  
Theyll be chanting my name too  
You may think its crazy  
You may think its dumb  
But I swear to god Ill be a wrestler

People say stupid things  
That blows up in their face  
Im getting close to that dream  
That dream that I chase  
Ill go off the top  
Ill do all the flips  
I dont care how much  
Bloods on lips

Cant hold me down  
Cant make me stay  
Im livin for those moments  
And Im livin for today  
Im in my world  
Youre in yours  
Why cant I be there with you?  
I dream of the days  
When I get my shot  
Theyll be chanting my name too  
You may think its crazy  
You may think its dumb  
But I swear to god Ill be a wrestler

I can stop a hurricane  
I can drain a sea  
When I think of my dream  
There aint no in me

Im in my world  
Youre in yours  
Why cant I be there with you?  
I dream of the days  
When I get my shot  
Theyll be chanting my name too  
You may think its crazy You may think its dumb But I  
swear to god Ill be a wrestler
