We all make mistakes but I make more  
Every time I see you I run for the door  
I want to be in your heart  
Every time I try to start I fall apart  
I see you sitting alone  
I try to talk but my voice just STOPS  
I run off not knowing what to do  
This is why I hate my self for wanting you

Mistakes

We all make mistakes but I make more  
No one makes as many as me thats for sure  
I sit in my room and drown out the crowd  
But youre the only one that stays aloud

If I have the opportunity Id pass it up  
Coz Im just so damn dumb  
I cant help it Im just the way I am  
Coz Im so stupid god damn  
Youre so gorgeous I miss you  
All I wanna do is just kiss you  
I really dont know what to do  
This is why I hate my self for wanting you

Mistakes

We all make mistakes but I make more  
No one makes as many as me thats for sure  
I sit in my room and drown out the crowd  
But youre the only one that stays aloud

Im a mistake  
Youre a mistake  
We are all damn mistakes  
I cant define  
The heart thats mine  
Its a mistake

We all make mistakes  
We all make mistakes

We all make mistakes  
We all make mistakes
