Chorus:

The Kanga-Roo Hop!
The Kanga-Roo Hop!
The Kanga-Roo Hop!
The Kanga-Roo Hop!
Everybody do like Kanga and Roo
Wherever you're going, go boing! boing! boing!
Yeah, everybody do it
Come over and hop to it
Stop layin' there like you're asleep
Don't let your courage fail ya
Pretend you're in Australia
Now do just like a kangaroo and take the leap

Repeat Chorus once

Start bouncin' like a pogo
'Cause sittin' still's a no go
The rhythm is the best of swings
Your heart is really thumpin'
Yeah, now the place is jumpin'
'Cause everybody's dancin' like their feet are springs

Repeat Chorus once

Now wait...
Now bounce! Bounce! Bounce! Bounce! Bounce!
Be sure to count your bounces
(Be sure to count your bounces)
'Cause the amounts of the bounces is
What counts-es

Repeat Chorus once

Everybody do like Kanga and Roo
Wherever you're going, go boing! boing! boing
