You mean to me more then a friend.

Don't wait until I'll be dead.
Hurting my head. Hurting my heart.
Like right now, that u r so far.

Staying so strong.
Doing so wrong.
When the days I didn't see you.
U didn't know what I've been through.
All I know that I can't stop missing you.
I wana be stuck with you like a glue.
Like getting something so brought new.
If you stay with me forever everything will be cool.
You're my future girl that I wana have kids with.
That's coolest dream I can't stop thinking about it.
Having a son having a daughter.
Having no kids is like having no water.
