I could take every little thing u said to me,
And just throw it out the damn door.
Coz I really dont care about you,
And you dont care about me any more.
I've got so much damn rage,
And so much damn pain.
Every time the sun shines,
I wish it would rain.

I got so many tears,
And no damn fears.
So I just cry until my head hurts.

I can't stand it, youre so complicated.
Thinking about u get me frustrated.
You can tell me to do what ever is daring.
Coz I ain't got no fears, just tears.

So after all that you've done now,
It's like I don't damn exist.
Coz every time I see you on the street,
You pretend like we've never kissed.
I've got so much damn anger,
And so much damn wrath.
Me plus you equals doom,
So you do the math.

I got so many tears,
And no damn fears.
So I just cry until my head hurts.

I can't stand it, youre so complicated,
Thinking about u get me frustrated.
You can tell me to do what ever is daring,
Coz I ain't got no fears, just tears.

Tell me to jump of bridge (Ill do it).
Tell me to go in a snake pit (Ill do it).
Tell me to kiss a scorpion (Ill do it).
Tell me to stare at death (Ill do it).
Tell me to look at medusa (Ill do it).

But tell me to apologize (I WONT).

I can't stand it, youre so complicated,
Thinking about u get me frustrated.
You can tell me to do what ever is daring,
Coz I ain't got no fears, just tears. No fearCoz I got one
fearIts love.
