(ft. R. Kerr & W. Rappaport)

Please, I don't wanna move on
I just wanna make history
So come on and ride with me!
And we are gonna be, forever young
And we do what can be done
And we're gonna be champions
Virgins every, everywhere we go
They know we wear the crown
Undefeated, celebrated
Know whenever back in town

Chorus:

And these are the glory days
We gotta let them know we're here to stay
And we, we will never change
Cause we are, who we are, who we are!
These are the glory days!
Oh, oh, these are the glory days, oh yeah!

All the memories that gonna live on
We'll live in a victory, as long as you're next to me
Virgins every, everywhere we go
They know we wear the crown
Undefeated, celebrated
Know whenever back in town

Chorus:

And these are the glory days
We gotta let them know we're here to stay
And we, we will never change
Cause we are, who we are, who we are!
These are the glory days!
Oh, oh, these are the glory days, oh yeah!

Put 'em up, put 'em up
Put 'em up, put 'em up
These are the glory days!

Never looking back

Make this moment last
I wanna feel like this forever, ever
Till the morning light, gonna go all night
We never will forget

Chorus:

That these are the glory days
We gotta let them know we're here to stay
And we, we will never change
Cause we are, who we are, who we are!
These are the glory days!
Oh, oh, these are the glory days, oh yeah!
Put 'em up, put 'em up
Put 'em up, put 'em up
These are the glory days!
