You try , to tell me how you feel  
Seems the more you try the less I keep it real  
You hold on to the thing  
But I will make a change  
Trying to break all ,  
But I say go and ,  
Just when you packed your bags stood up and leave  
I'll promise to change you crazy to leave

The lies that I told, late nights coming home  
The , I don't know how you try  
All the love as I shows, seems everyone knows  
Except for baby, don't know how you try

You gave up all your friends,  
... you were living  
Just so we could be together, oh yeah  
, should did that baby  
Steady playing games on the good days  
, just a , self , to all the leaves  
Guilty , feelings take over baby  
And I can't believe,

The lies that I told, late nights coming home  
The , I don't know how you try  
All the love as I shows, seems everyone knows  
Except for baby, don't know how you try

It feels like it you're stuck on this relationship  
Your mind wants to go but your heart says go  
Can't find the strength, still you got enough of it  
Baby I don't know if I can make it on my own

You try, try, try,  
Try, try, try, try,  
Try, try, try, try,  
Try, try, try, try,  
You try, yes I know  
Try, try, try, try,  
Try, try, try, try,

And I don't know  
The lies that I told, late nights coming home  
The , I don't know how you try  
All the love as I shows, seems everyone knows  
Except for baby, don't know how you try  
The lies that I told, late nights coming home  
The , I don't know how you try  
All the love as I shows, seems everyone knows  
Except for baby, don't know how you try  
The lies that I told, late nights coming home  
The , I don't know how you try  
All the love as I shows, seems everyone knows  
Except for baby, don't know how you try.
