she wanna be a star  
lights lights  
its what shes reaching for  
lights lights  
she just wanna see the  
glowing lights  
she just wanna see the  
glowing lights  
. .  
she stands there all alone  
to watch the stars that glow  
she lets her below  
dry a tear  
she prays for hope  
the years have come and gone  
she tries to hang on  
to her dreams cuz  
she wanna be  
one of the fancy  
girls on the stages  
one of the fancy  
  
in magazine pages  
one of the fancy  
girls rocking the latest  
one of the fancyyyy  
she wanna be a star  
lights lights  
its what shes reaching for  
lights lights  
she just wanna see the  
glowing lights  
she just wanna see the glowing lights  
glowing light  
glowing lights  
glowing lights  
glowing I-I-I-I-lights  
she know where she needa be  
she know where she needa be  
she know where she needa be  
in the sky alone with me me me
