Are you gonna save me? Can you save me?
Are you gonna save me? Can you save me?
Ya gonna make me happy? Ya gonna make me smile?
Can you save me? Tell me, mister love

Are you gonna save me? Ya gonna make me happy?
Can you save me? Tell me, mister, mister

We gonna show you a thing or two about love
Be patient, be patient, love, love, love, love, love
Ha ha ha ha ha ha ha, yeah, yeah

Are you gonna save me? Can you save me?
Are you gonna save me? Can you save me?
Are you gonna save me? Ya gonna make me happy?
Can you save me? Tell me, mister love
