Peel away your skin, just a little more
You can let me in, just a little more
Can you taste it? I do
When you bite down on the truth

We can peel away just a little more
I'll cut you right down to your sweetness

Right to your sweetness

Well, I know it hurts real bad to lay it open
I've tried so hard myself to make you love it
Well, my love, my pride
I swallow you tonight

We can peel away, just a little more
I'll cut you right down to your sweetness

Right to your sweetness

Peel away, peel away

Cut right down to the soul, to the center of you
I found me a home for the sinner in me
Cut down to the soul, to the center of you
I found me a home for the sinner in me

Cut down
Cut down

The sinner in me
The sinner in me
The sinner in me
The sinner in me

I'll eat you slow, my sweetness
You give control, my sweetness
I drink you down, my sweetness
I think I found, my sweetness

My sweetness
My sweetness

My sweetness

Cut right down to the soul, to the center of you
I found me a home for the sinner in me
Cut down to the soul, to the center of you
I found me a home for the sinner in me

Cut down

Cut right down to the soul, to the center of you
I found me a home for the sinner in me
Cut down to the soul, to the center of you
I found me a home for the sinner in me

Cut down
Cut down
The sinner in me
Cut down
Cut down
The sinner in me
