Ah ah ah ah...

Well, it's been  
Building up inside of me  
For, oh, I don't know how long

I don't know why  
But I keep thinking  
Something's bound to go wrong

But she looks in my eyes  
And makes me realize  
And she says

[CHORUS]  
Don't worry, baby  
Don't worry, baby  
Don't worry, baby  
Everything will  
Turn out all right  
Don't worry, baby  
Don't worry, baby  
Don't worry, baby

I guess I should've  
Kept my mouth shut  
When I started to brag  
About my car

But I can't back down now  
Because I pushed the  
Other guys too far

She makes me come alive  
And makes me wanna drive  
When she says

[Repeat CHORUS]

She told me, baby  
When you race today  
Just take along

My love with you

And if you knew  
How much I loved you  
Baby, nothing could  
Go wrong with you

Oh, what she does to me  
When she makes love to me  
And she says

[Repeat CHORUS]

Everything will  
Turn out all right  
Don't worry, baby  
Don't worry, baby  
Don't worry, baby
