Sho doop shooby doo, sho doop shooby doo  
Sho doop shooby doo, sho doop shooby woo

In the still of the night  
(Sho doop shooby doo, sho doop shooby doo)  
I held you, held you tight  
(Sho doop shooby doo, sho doop shooby doo)  
'Cause I love, love you so  
(Sho doop shooby doo, sho doop shooby doo)  
Promise I'll never let you go  
(Sho doop shooby doo, sho doop shooby woo)  
In the still of the night  
(In the still of the night)

I remember that night in May  
(I remember, I remember)  
The stars were bright above  
(I remember, I remember)  
I'll hope and I'll pray  
(I remember, I remember)  
To keep your precious love

So before the the light  
(Sho doop shooby doo, sho doop shooby doo)  
Hold me again with all of your might  
(Sho doop shooby doo, sho doop shooby woo)  
In the still of the night  
(In the still of the night)

Doo baa, doo baa, doo baa, doo baa  
Doo baa, doo baa, doo baa  
Doo baa, doo baa, doo baa, doo baa  
Doo baa, doo baa, doo baa

So before the the light  
(Sho doop shooby doo, sho doop shooby doo)  
Hold me again with all of your might  
(Sho doop shooby doo, sho doop shooby woo)  
In the still of the night  
(In the still of the night)  
In the still of the night

Sho doop shooby doo, sho doop shooby doo  
Sho doop shooby doo, sho doop shooby doo  
Sho doop shooby doo, sho doop shooby doo
