Oooooo...

She lets her hair down

When the sun comes up

She lets her hair down

She walks barefoot

Through the meadow

Early in the mornin'

Early in the mornin'

Every day

And she lets her hair down

When the sun comes up

Yes, she lets her hair down

She wakes up the sleepy flowers

Early in the mornin'

Early in the mornin'

On her way yeah

And the morning grows bright

With the newborn light

Yes, the morning grows bright

She lets her hair down

When the sun comes up

She lets her hair down

[Interlude]

Oooooooooo...

She lets her hair down

When the sun come ups

She lets her hair down

She goes walking past my window

Early in the morning

Every day yeah

Some day I'll reach out and touch her

Early in the mornin'

Early in the mornin'

One fine day yeah

And I'll give her my love

'Til the day I die

Yes I'll give her my love

While the morning grows bright

With the newborn light

While the morning grows bright

She let her hair down

When the sun comes up

She let her hair down

Ooooooo

She let her hair down

Ooooooo

She let her hair down

When the sun comes up

Ooooooo

Let her hair down...
